

Dear Port Washington Business Owners on Main Street and surrounding areas,

Summer is when we see the results of some of our beautification initiatives in full bloom.

- We put feet on the street to keep Port clean by hiring a dedicated worker who sweeps and picks up litter along the Main Street corridor, sides streets, and parts of Shore Road and Pt Washington Blvd. If you haven't met Philip yet, you will see him in the early mornings. We thank him for his dedicated work.
- The seasonal hanging flower baskets are up and beginning to flower up. We thank the Town of North Hempstead Highway Department for weekly watering and fertilizing again this year.
- Soon the "Welcome to Port Washington" banners will be installed at the end of the month.
- Back in May, Falconer's Florist was awarded a grant to plant the raised beds at the LIRR station. We boosted the look with soil amendments and more plants, and it really shows. Thanks to the PW Parking District for watering all season long.

The Port Washington BID partners with you to improve the look of Main Street. Now we ask that you continue your efforts as well.

Place commercial garbage out for pick up ONLY on collection days.

Curbside pick-up is on Tuesday through Saturday AM. Commercial garbage left curbside will NOT be picked up on Sunday or Monday, including any Monday holidays. You may NOT leave garbage out after Saturday morning collection. You will be ticketed and fined.

Black Litter Receptacles are NOT for residential or commercial garbage.

Do not leave garbage from your business in these receptacles. They are intended for foot traffic use only. Please alert any residence in a multi-use building of this violation. You may be fined for misuse.

We remind you of the Town of North Hempstead code related to sidewalk care:

1. Every owner, lessee, tenant, occupant or other person in charge of any property within the Town shall at all times keep such sidewalk in good and safe repair and maintain the same clean, free from filth, dirt, weeds or other objects or materials.
2. It shall be unlawful for any person to deposit, drop, throw or otherwise dispose of paper, debris or refuse of any nature whatsoever upon the sidewalks, streets, parking areas or other public places in the Town of North Hempstead.
