

August 2026

We welcome you to participate in this year's Port Washington Restaurant Week. This 8-day dining experience is a favorite event sponsored by the Port Washington Business Improvement District, drawing new customers from neighboring communities and local regulars. Participation is at no cost to you. You get to spotlight your specialties and highlight your restaurant.

The promotional event will run from Sunday, October 18, to Sunday, October 26, 2026.

How It Works

1. All participating restaurants will agree to the same guidelines to provide an equal dining experience across all restaurants.
2. Participating restaurants must offer a prix fixe menu available for dine-in, every night that you are open during the promotion, except for Saturday, when you may choose to end the prix fixe option at 6:00 pm.
3. **Prix Fixe Lunch.** You have the option of offering a 2-course menu for lunch during your regular lunch hours. Prix Fixe will be set at \$21. The menu must include three (3) choices for the 2 courses offering 3 appetizer choices and 3 entrée choices OR 3 entrée and 3 dessert choices.
 - Choose a price point that does not exceed what customers would pay for the selected items à la carte. This limited-time offer is intended to encourage new and returning customers to visit and enjoy your restaurant.
4. **Prix Fixe Dinner will have two price options.** You choose the price of either \$35 or \$48. The menu must include at least three (3) choices of each course: three appetizers, three entrees, and three desserts.
 - You may include higher-priced items on your prix fixe menu for an additional charge, provided you offer at least THREE choices without supplemental charges.

What the B.I.D. Will Do - at NO COST TO YOU!

1. We will advertise in local and regional print and digital publications, on social media platforms, and provide a landing page for the entire event.
2. We will provide you with art and content to use to promote within your own contact list.
3. We will provide printed copies of your prix fixe menu.
4. We will provide customer survey cards which will be returned to you with customer contact info so you can build your contact list
